

3rd Freiburg & Bern CSF Center Visitorship

March, 19th - 21st 2025

CSF

About

The CSF Center Visitorship hosted by the Inselspital, Bern, Switzerland and the University Hospital of Freiburg im Breisgau (Germany) will take place in March 2025, focusing on the advancements in Spontaneous Intracranial Hypotension (SIH) and the management of Cerebrospinal Fluid (CSF) leaks and fistulas.

This Visitorship will serve as a platform for medical professionals from different hospitals to exchange knowledge, discuss innovative techniques, and share best practices in the treatment of SIH. The synergy between Freiburg im Breisgau's renowned expertise in SIH and the Inselspital pioneering research in neuroscience promises to foster a productive dialogue that will contribute to the enhancement of patient care and surgical outcomes in the field of spinal CSF leaks.
